

EDUCATIONAL INCURSION

This is a way to support the teaching and learning process and it shows an outcome in each learning area. Incursion reinforce, complement and elaborate learning opportunities beyond the classroom particularly, teaching kids is not limited to school and that valuable and powerful learning take place in the real world not virtual world. They (children) provide shared class experiences and to develop a sense of group cohesiveness and the best part is that the kids stay at school & engage in incursion on the school grounds, an activity shall and to spend one or few days as school holiday camp. This helps to deliver interactive performances activity performed in classes as well as field and to demonstrate visual skills like dancing and singing with musical melody. The performed among students to improve teaching interaction and better understanding skill.

Teacher's other ability to manage any events and school function can also improve learning skill among students.

The Education Incursion also includes innocent scientific temperament of Primary & Secondary students like making paper aeroplane during learning for fun. It also includes sempiternal thought about dresses. It also enhances good behaviour of children for better life style in society.
