

GENDER SENSITIZATION

Gender and sex are two different concept with different meaning. Sex is biologically determined. Gender is a social construct, learnt, dynamic, changeable and differs within and between cultures. Gender inequalities are learned through education at various levels including the family, school, religion, society and community level.

Gender impressions are conditioned by socialization process through various serializing agent. Differences do exist but they are biologically reacted.

Regal awareness and gender sensitization in XI/XII

- **To inspire the generation of young girls and boys to work together towards achieving gender equality and justice.**
- **To empower adolescent girls with the knowledge of legal rights and duties.**
- **To introduce the concept of gender equity, attitude, behavior, prevention of gender based violence among students of XI/XII.**
- **To perform any school activities gender sensitization emotional and feeling does not come among students of secondary an higher secondary classes.**
- **In connection with social cultural aspects, gender sensitization school also be avoided but a need of awareness skill and concept should be provided to all people of all stage given.**
